

...

My journey into cyber security

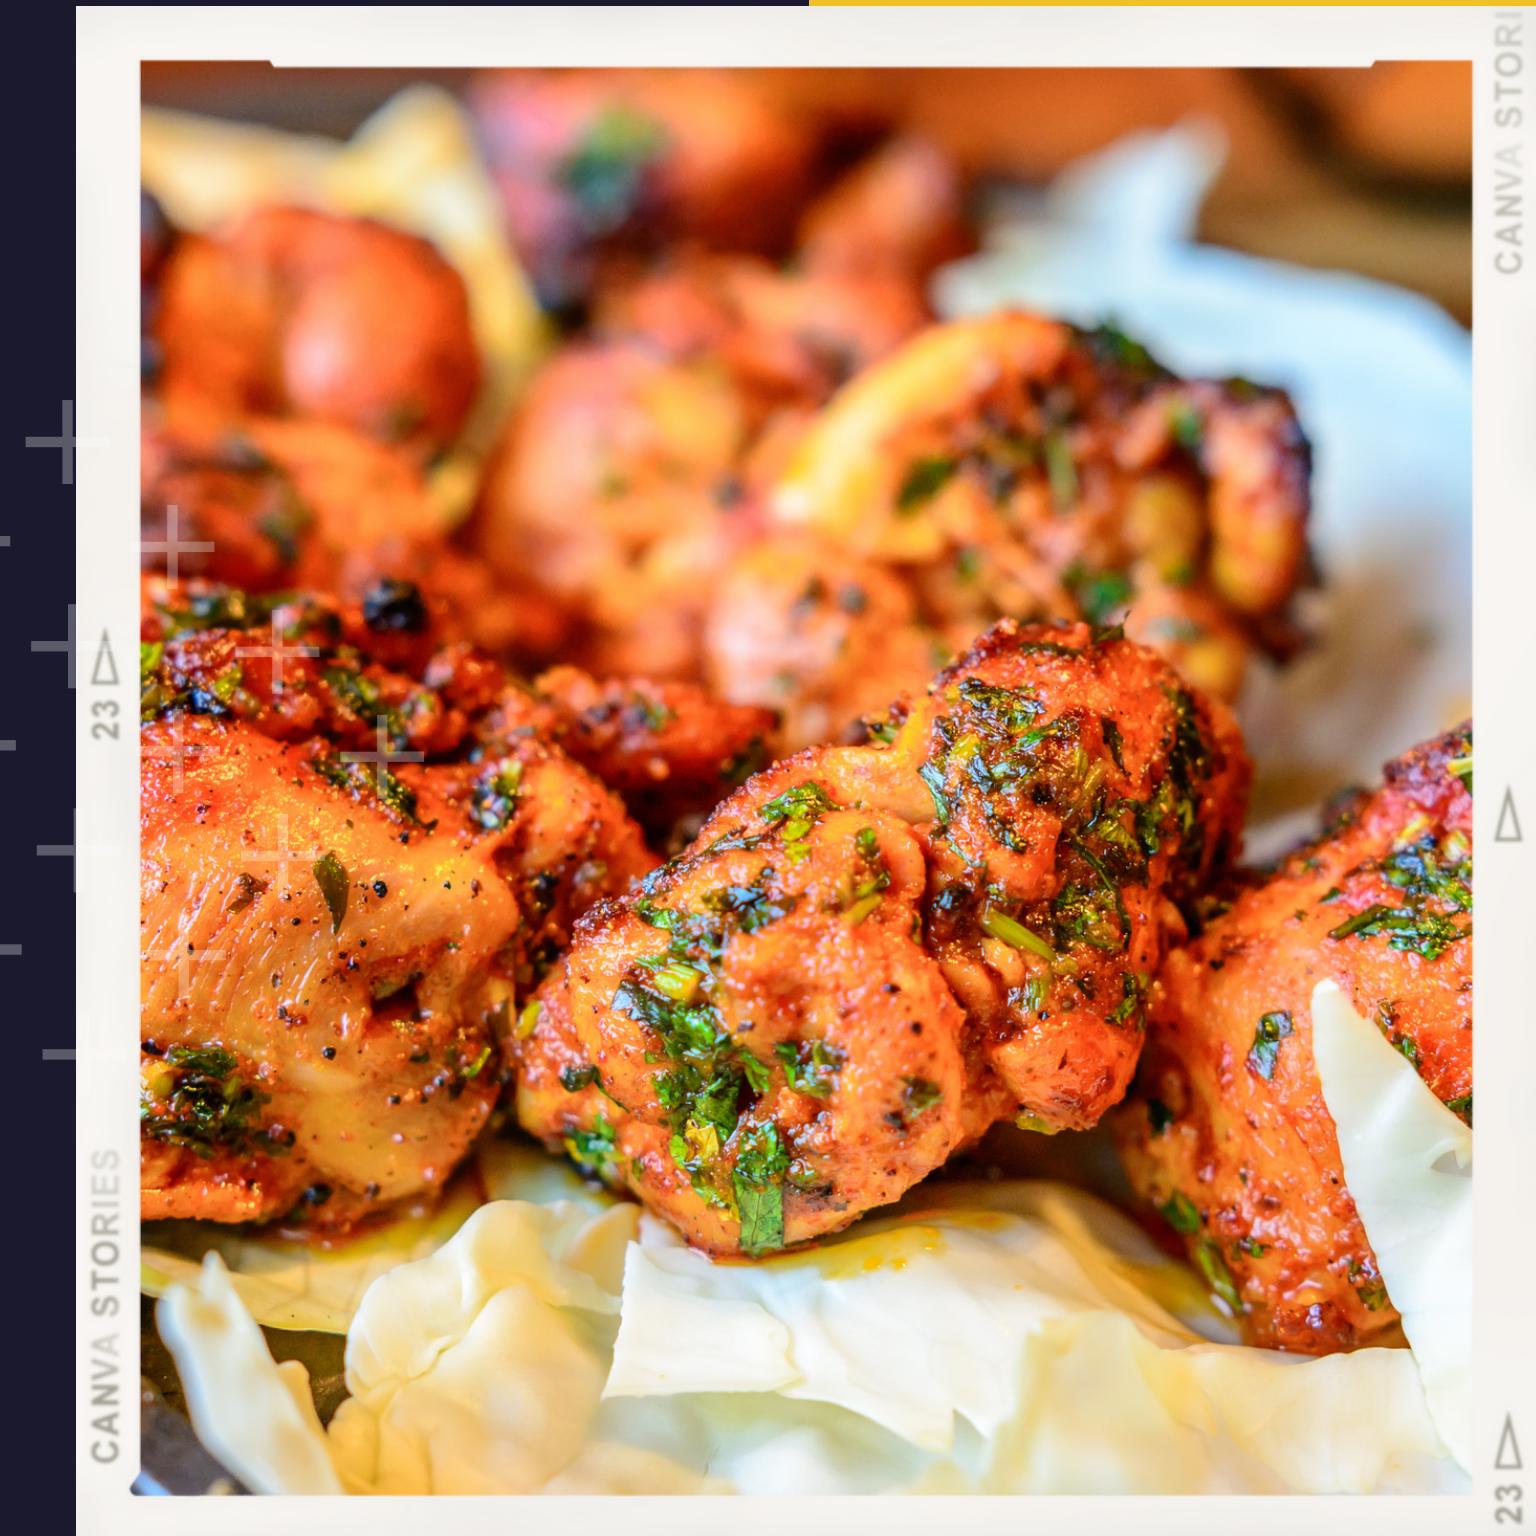

A BIT ABOUT VINAL...

I LOVE TO COOK AND TRY NEW RECIPES

I love building a dish from scratch just from basic ingredients - Just like coding

MY JOURNEY THUS FAR..

- I got into coding and build small apps on scratch - matching card game
- I was inspired by my friends and colleagues around me who are in IT to take a leap into cyber security
- I completed MOOC style training and gained Microsoft certificates

My Goals

Complete certifications

Complete CompTIA Sec+ and cyber foundation courses

Get my hands dirty

Learn how to code, hack and reverse engineer applications.

Get an apprenticeship

Land my first IT job

Secure a Cyber Security Analyst role in managing security incidents/breaches

Learn more about Cyber Forensic Security

C

SQL

Python

JavaScript

GITHUB.COM/VINAL-2

WHAT I AM BEST AT

Project management

Leadership and communication

Diverse thinking

THANK
YOU
